

Dear colleague,

The next BeGenius webinar, entitled '**Precision and personalization in CLL and B-cell lymphomas: Expert perspectives from iwCLL and iwNHL**', will take place on Tuesday, November 11, 2025, from 17:30 to 18:30 (CET).

Don't miss an expert-led review of two recent international workshops – iwCLL and iwNHL. Through presentation and discussion, our faculty will share their perspectives on key data and emerging conversations in CLL, MCL, and indolent lymphomas.

The faculty will welcome your thoughts and questions throughout the webinar, so please join the conversation!

Yours faithfully,

**Francesc Bosch
(Chair)**

Hospital Universitari
Vall d'Hebron,
Spain

**Renata
Walewska**

Royal Bournemouth
Hospital,
United Kingdom

**Pier Luigi
Zinzani**

University Hospital
of Bologna,
Italy
